

ADVANCING FOOD SCIENCE AND NUTRITION BY BRIDGING RESEARCH, POLICY, AND PRACTICE

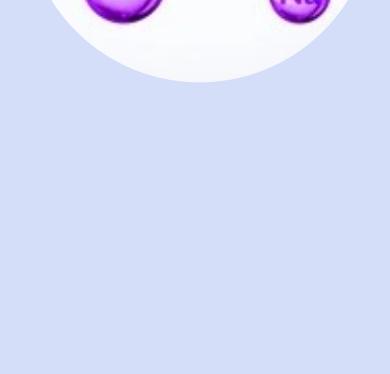

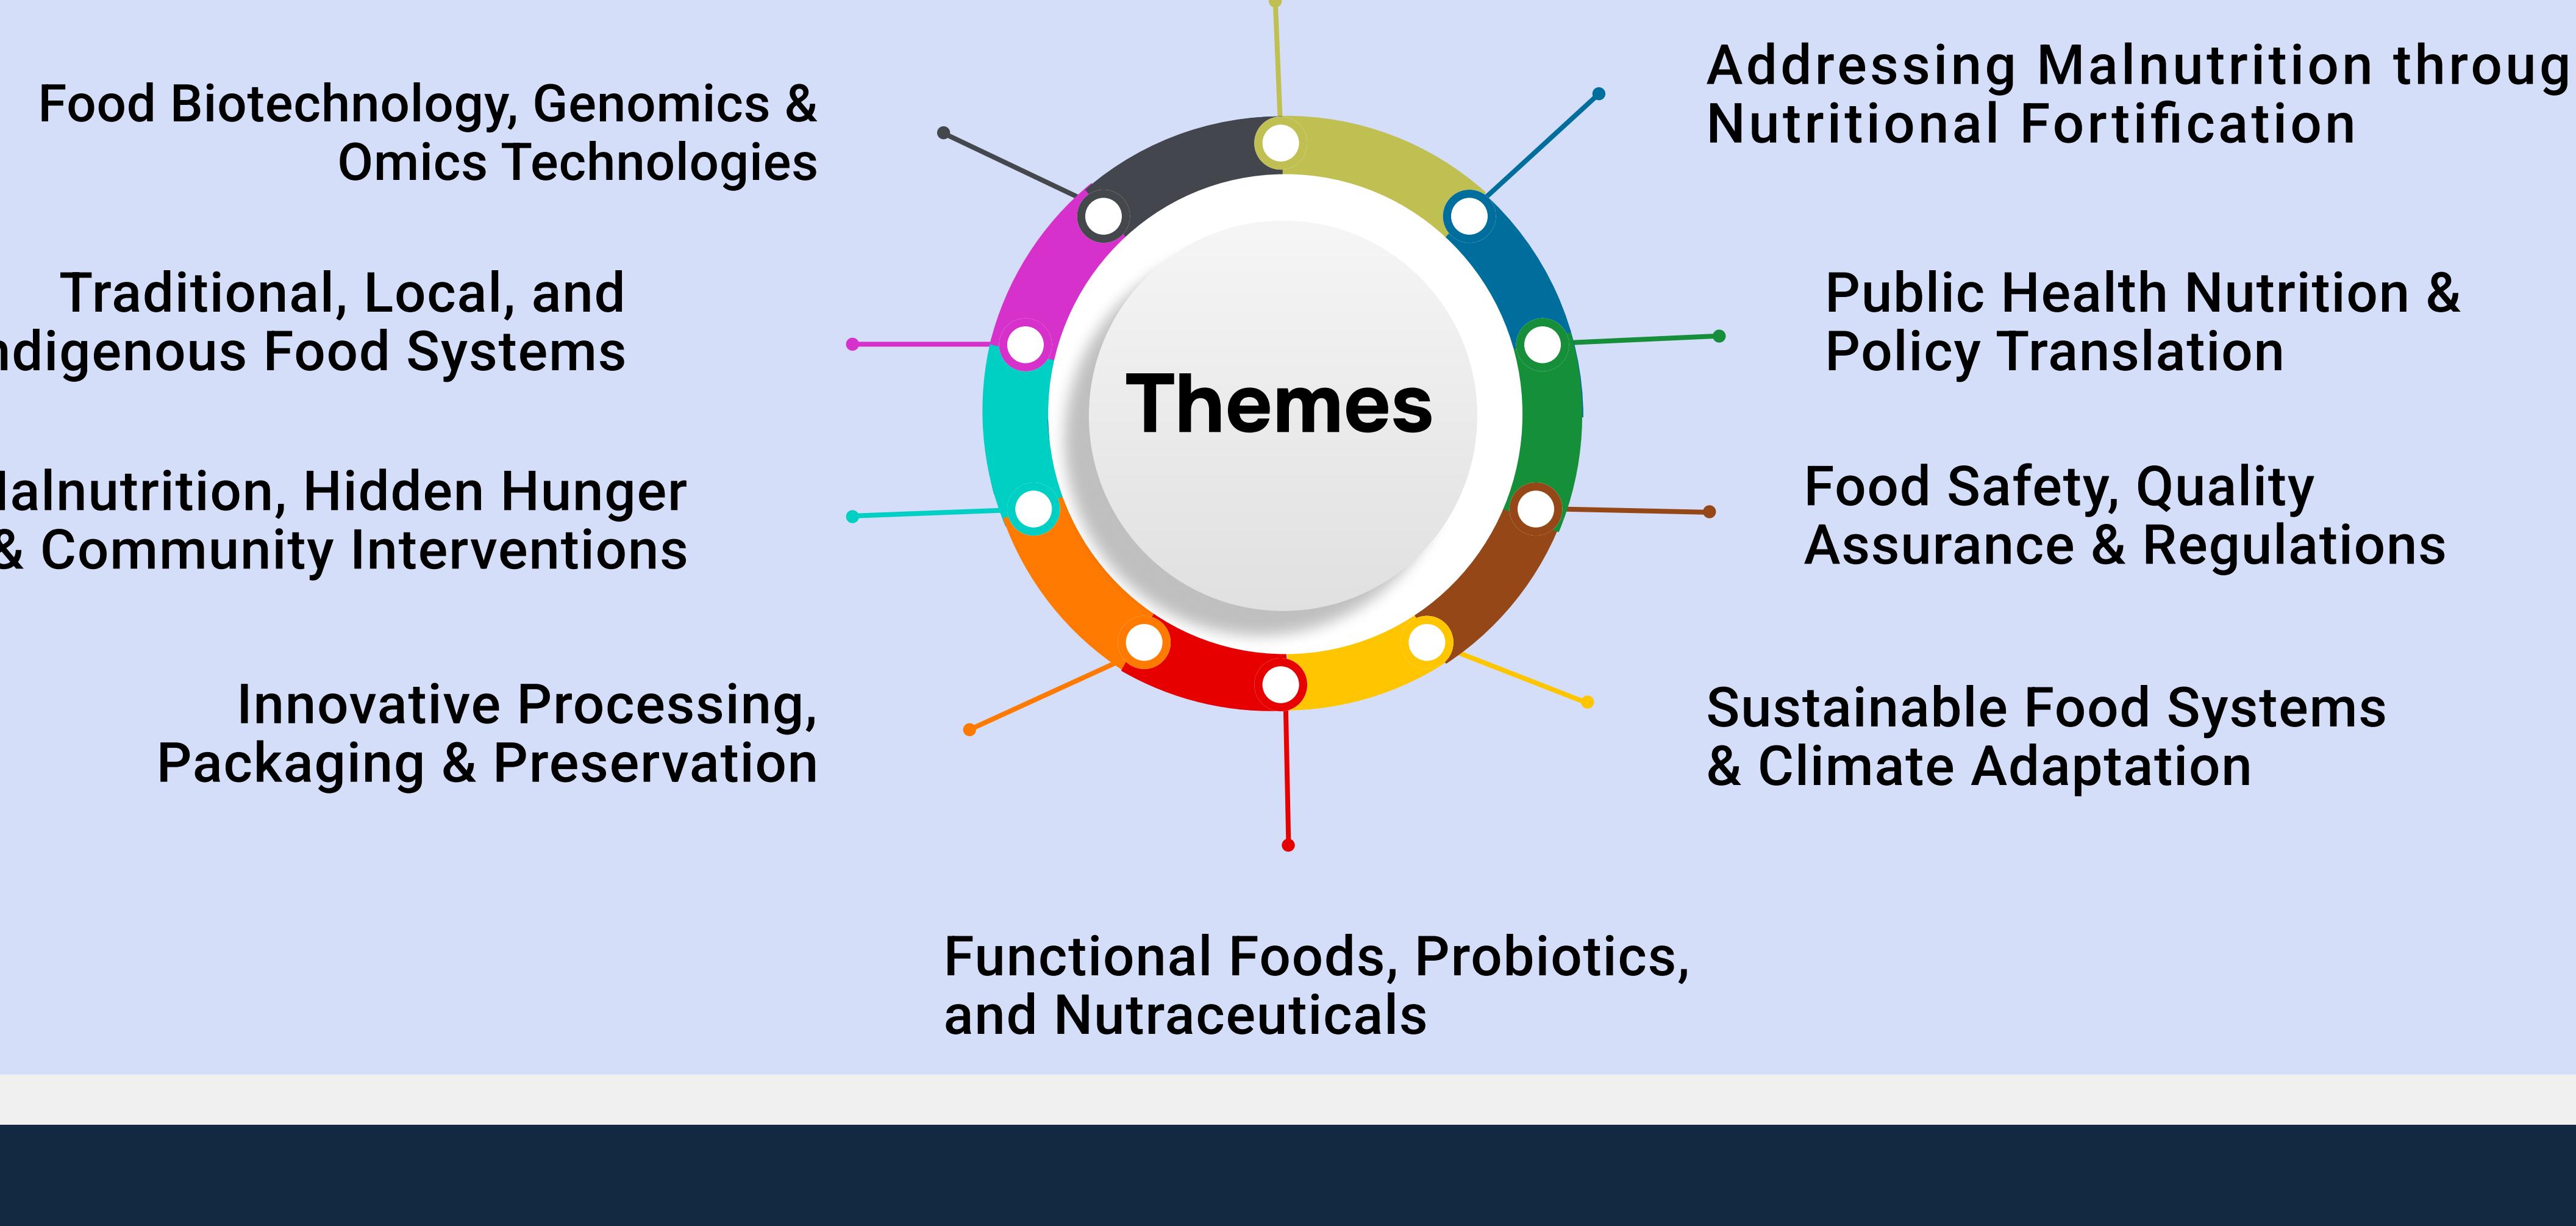

October 13-14, 2025

About The Conference

The Department of Biosciences, COMSATS University Islamabad, Sahiwal Campus, in collaboration with the Higher Education Commission (HEC), Pakistan, and the Pakistan Society of Food Scientists and Technologists (PSFST), is organizing a two-day International Conference on "Advancing Food Science and Nutrition by Bridging Research, Policy, and Practice."

In celebration of World Food Day 2025, themed "*Hand in Hand for Better Foods and a Better Future*," this conference echoes the global call to action by bringing together scientists, policymakers, health professionals, and industry experts to collaborate for a healthier, food-secure world.

Call for Papers

We invite submission of original research abstracts for oral and poster presentations. Submissions will be evaluated by a scientific committee through a blind peer-review process.

1. Abstracts (maximum 300 words, in English)
2. Include title, authors, affiliations, methodology, and key results
3. Selected papers will be considered for publication in conference proceedings or partner journals

Submit to: fsnconference@cuisahiwal.edu.pk
